

TriGeo Named a Finalist for Best SME Security Solution and Best Security Incident/Event Management Solution by *SC Magazine*

Midmarket SIM Leader Earns Nine Industry “Nods” in 2008

POST FALLS, Idaho (Dec. 9, 2008) — [TriGeo Network Security](#), the leading provider of [security information and event management](#) (SIEM) technology for midmarket enterprises, is a finalist in two categories in the prestigious 2009 *SC Magazine* Awards program: the Excellence Award category for **Best SME Security Solution** and the Readers Trust Award category for **Best Security Incident/Event Management Solution**, which TriGeo has won the past two years.

“Being recognized as one of the best midmarket security solution providers is a tremendous win for us,” said Michelle Dickman, president of TriGeo. “One size doesn’t fit all. We’ve worked incredibly hard to deliver an innovative, effective and affordably priced SIEM solution specifically designed to meet the unique needs of midsized enterprises.”

TriGeo’s [Security Information Manager \(SIM\)](#) is the only real-time SIEM appliance that comes stocked with 650 pre-built correlation rules to automatically identify, notify and respond to network attacks, suspicious behavior and policy violations. The solution, designed and priced for midmarket networks, offers complete network visibility of insider and external activities. It gives enterprises the ability to comply with regulatory mandates and proactively quarantine, block, route and control services, processes, accounts and privileges.

TriGeo is consistently recognized as a leading SIEM provider, earning many industry accolades in 2008, including:

- **The #1 innovator spot in *Bank Technology News’ FutureNow List***, highlighting the growing need for midmarket financial services organizations to proactively protect networks against internal and external threats in real time, while achieving compliance.
- ***Campus Technology’s 2008 Innovator Award*** for TriGeo’s strategic involvement in Ohio Dominican University’s information security renovation project.
- **Four Midsize Enterprise Summit™ Midmarket Innovation Awards**, including two “Best of Show” awards, “Best Execution of a Midmarket IT Solutions” and “Best Midmarket Hardware Solution”.
- **Finalist in the 2008 North American *Red Herring* 100 Award list.**

“Security remains a top agenda item that enterprises need to address,” said *SC Magazine* Editor-in-Chief Illena Armstrong. “TriGeo is at the forefront of IT security and is among a very select group that has been recognized as a finalist in our Excellence Awards competition.”

TriGeo SIM comes stocked with more than 240 pre-built reports for compliance and network analysis. It is used by hundreds of customers across key vertical markets including financial services, healthcare, government, utility, retail and media/entertainment.

Winners of this year's *SC Magazine* Awards will be announced on April 21, 2009 at an awards ceremony in San Francisco.
